

Information for Parents regarding Out of Zone Enrolments

Because you do not live within the home zone specified in school's enrolment scheme your application will be subject to the selection procedure specified in the Education Act 1989.

There are places available in each year group, but not an equal amount in all year groups. The deadline for receipt of applications for out of zone places is 3pm, Monday 2nd May 2016

The Act states that first priority must be given to students who meet the criteria for enrolment in a special programme run by the school. Our school has no such programme. Second priority must be given to siblings of current students. Third priority must be given to siblings of former students. Fourth priority must be given to children of board employees. Fifth priority must be given to all other students.

In situation where the number of applicants exceeds the number of places available for out of zone students, selection will be by ballot. If a ballot is required at our school, it will be held on Monday 2nd May 2016, and will be supervised by Justice of the Peace. Within three school days of this date, the school will send you a letter informing you of the outcome of the ballot. If your application has been successful, you will be asked to confirm your acceptance or rejection of the offered place within 14 days of the date on the school's letter. If you do not respond within the 14 day period, the place will be offered to the first person on the waiting list established by the ballot.
