

11 October 2016

Dear Carterton School Whanau

Each year a dedicated group organises and runs the Carterton Town and Country Garden Trail, and this year they require some help with supplying baking, sandwiches or rolls for a garden stall where the visitors can stop to buy something yummy to eat.

The organising group is looking for people to put their name forward to contribute some baking or food for the stall and names of people who can donate some time at the stall. The money raised from this stall goes towards purchasing something for the students of Carterton School.

As a result of last years Garden Trail fundraising the committee is having some artwork created and this will be hung around our school. They have also purchased another drinking fountain to go alongside the one they purchased the year before. These drinking fountains are now used by the students.

On the form below please indicate if you can provide baking or food item to sell at the stall and/ or if you can donate some of your time to look after the food stall. For those who can help another letter will be sent to you closer to the date with more details of when and where to drop off the food and baking, the roster and which garden we will be having the food stall at.

Please return this slip to Room 13 or the office.

Many thanks in advance for your wonderful donation for the Garden Trail.

Kind regards,

Melanie MacGregor

---

I can contribute \_\_\_\_\_ towards the Garden Trail food stall on the 27th November 2016.

I can/can not work on the stall. My preferred times are indicated below:

10-11	Mrs MacGregor	2-3	
11-12		3-4	
12-1		4-5	Mrs MacGregor
1-2			

Name: \_\_\_\_\_
