

The **Carterton School PTA** is here to support the children of Carterton School!

Recently, **due to your help and fundraising efforts**, we have been able to provide some great 'extras' for your children!

- *Seating * Water fountain installation (with the Garden Trail Group)
- *Arts / drama performance for the whole school
- *Movie making equipment * 3Rs behaviour rewards
- * Support for PMP * Literacy programme for across the school
- *Kawahaka group resources *Support for the senior production
- *Trips and visits out of the school

Even a warm cup of Milo after the school cross country!

THANK YOU!

At the PTA you can meet other parents and staff, get to know a bit of background about the school, and share ideas about what we might do to provide some extras for the children. We also host social events where our school community can meet together (eg movie night).

The PTA AGM is coming up on Thursday 22 June 7.15pm and we want your ideas about what we could do as a group.

Committee positions to be decided: Chairperson, vice chair, secretary, treasurer.

Anyone related to our children is welcome to come along.

There will be a chance to share any ideas you have, or you can just listen and get more information.

Light refreshments will be available.
