

**Don't be late!** Do you know that lessons start at 8.55am? Our first school bell goes at 8.15am. Classrooms (and breakfast club most days) are open at that time. **An ideal time to get to school is about 8.30am.** This gives children an opportunity to catch up with their friends, put their bag away and have a bit of free time before the school day starts.

If a child arrives in class after 8.55am they may miss some important information they will need later in the day. It can be frustrating for them, their friends, and their teacher.

Of course, we know that sometimes it is impossible to get to school on time. If that is the case, come to the office for a 'late slip' before heading to class.

Our truancy officer, Tom, regularly reviews attendance and lateness. If he, or I, have any concerns we will send a note home.

Massive thanks **CLAREVILLE BAKERY** for a brilliant Baking Lesson last week! 12 year 7 & 8 students went along to make two types of bread based items. The fruit bread and pizzas were amazing. Michael and Rosalie Kloeg were wonderful hosts and were so generous. I could not have been more proud of our students – they were perfect! Just like

their baking!

Found in Carrington Park – new looking yellow and black **dog lead**.  
It can be collected from the school office.
