**South Wairarapa Schools Soccer Tournament Thursday 10 August** (Postponement day Tuesday 15 August) **10am-2pm**

We have 6 teams (4 Yr 5&6 and 2 Yr 7&8) entered into this event at Carrington Park on Thursday this week. We had so many children interested in taking part that we have a 'reserve' list in case someone is not able to attend! Many thanks to the adults who are able to come along to help on the day – we could not do it without you. Participants have received a note home to confirm their team. If your child is in a competitive team and they do not have shin pads or soccer boots s/he can play with long socks with a thick pad of newspaper in them and normal sports shoes. Supporters are welcome!

Any questions? Contact Nathan Hill or Alison Woollard

**DISCO** – The disco planned for this week has been *postponed to a later date*. We will let you know as soon as a new date is finalised.

Winter illness / influenza – we have had a lot of children (and staff!!) away with flu and viral illness the last two weeks. Symptoms include fatigue and lack of energy, fever, cough and sore throat. We have noticed it is lasting around 7 days in most cases. We regularly remind children at school to wash their hands to prevent the spread of bugs. It is important that your child does not return to school until they are well, to prevent the further spread of illness.
