If you do not wish to participate, please return your raffle sheet asap to the raffle box in the school office, for other families who would like extra tickets.

Proceeds from the raffles will be used in the coming year to support two key areas. These are

The school environment - refreshing play areas for the children

Team Kawakawa Camp notices are due back TOMORROW – 22ND NOVEMBER.

TEACHER ONLY DAY

At the start of the year the BoT set our term dates. There are a set number of half days every primary school must be open during the year. When setting dates we allow for one term time 'Teacher Only Day' (training day for teachers) during term time. This usually allows us to attend a conference or training day with a specialist. This has not happened so far this year. This year's Teacher Only Day will be on **FRIDAY 8 DECEMBER. School will be closed this day.**

Lost: Green MPG scooter, named Mason Lett on the bottom. There is a reward for its return.

ROTARY CLUB ANNUAL CHRISTMAS PARADE: This Saturday 25th November. Team kowhai is organising the float this year. We have a trailer but need children to be on the trailer and walking behind. Children can also decorate their scooter using christmas decorations. These will follow our school float.

The theme this year is 'A kiwi christmas'. We need christmas wrapping paper sent to school if anyone has any (to room 9 or 10). There will be a note coming home if your child would like to be on the float. Children would need to be at school (outside the hall) at 10am. We ask that children wear their school uniform with a christmas hat and they may decorate themselves with either Christmas paper or tinsel. Any queries please ask Mr Hill or Mrs Hull.
