## Working Bee Sunday 26 November

Parents, Caregivers, Whānau and Friends of Carterton School

### Are you able to spare a couple of hours to help with some outdoor jobs?

We would love for you and your families to give us a hand, brightening up and refreshing our outdoor play areas. A creative & colourful outdoor environment encourages our children to learn fundamental skills like running, jumping, coordination and team work.

Children are welcome, they can play on the field or junior playground, or help with some activities. A sausage sizzle for lunch will be provided.

Together we can make a difference.

Thanks from the Carterton School PTA
