

# Carterton School Working Bee

Dear Parents, Caregivers, Whanau and Friends of Carterton School

## Are you able to spare a Sunday morning?

Last year was so fun and made such an impact, we've decided to do it again. This year we are ready to attack the junior playground! We want to replace the old sand in the sandpit with beautiful soft beach sand so the kids can dig easier and make fantastic sandcastles! We want to repaint the sandpit and boundary fences and playground with fun colours and build a mini roadway in the grass for the kids to practice their traffic safety while playing!

To make this possible we need your help. There are a variety of jobs to do from digging sand to easy painting, so all ages, skills and abilities are needed.

Children are welcome, they can help with painting or play on the grass (we'll put out some sports equipment and our toddler play area). Morning tea and lunch will be provided for all helpers and their kids.

Come join us for a fun day!
